Springfield, VA 22161

Requests made to US Government are intended to submit information to the Director of Central Intelligence in his capacity as Director of Central Intelligence.

Photocopies of this document may be obtained from the Director of Central Intelligence, Washington, DC 20505.

or:

National Technical Information Service  
Springfield, VA 22161  
(Excluded from FOIA)

Comments and queries on this paper may be directed to the Director of Central Intelligence, Washington, DC 20505, or to the Director of Central Intelligence, Washington, DC 20505, or to the Director of Central Intelligence, Washington, DC 20505.

#### Soviet International Fronts

A Research Paper

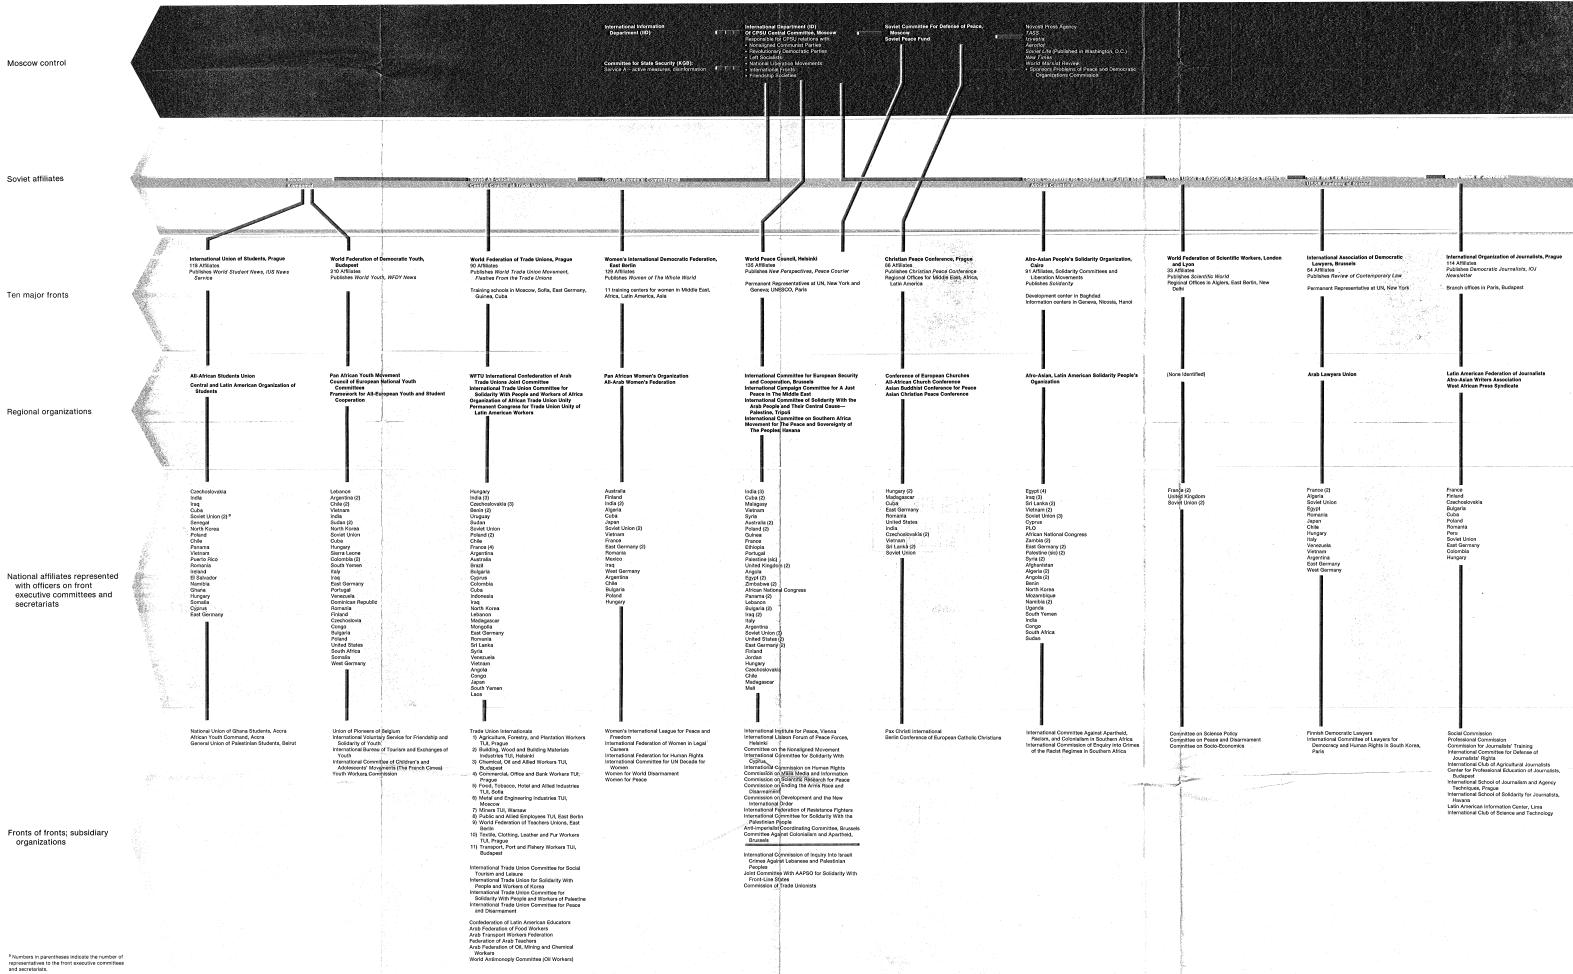

Information available as of February 1983  
was used in this report.

This chart indicates the linkages between Soviet International Fronts and Moscow. The major fronts, their regional organization, and a sample of their members are shown. The names of the individuals listed are those who represent the interests of their respective fronts. Some individuals, while not listed, are also involved in front activities. Overall, Moscow coordinates front programs and encourages the fronts to promote Soviet policy interests.

Comments and queries on this classified report are referred to the Director of Central Intelligence, Director of Public Affairs, Central Intelligence Agency, Washington, D.C. 20505  
(Excluded from FOIA)

For information on obtaining additional copies, see the front of this report.

## Soviet International Fronts

<sup>2</sup> Numbers in parentheses indicate the number of representatives to the front executive committees and secretariats.
